SPECIAL PROMOTION \$170 CAD

Description: 1.4" / 36 mm Diameter - Stainless Steel Back - Mineral Glass - Brown Leather Band

Show off your love of Israel with this incredible watch! Created to commemorate this incredible Israeli milestone, this stunning watch features a modern blue design on its face of the number 70 along with the word 'Israel' written in Hebrew beneath it in a biblical font. With Hebrew letters instead of numbers, this marvelous watch is complete with a mechanical date display and a comfortable and stylish brown leather band. Perfect for both men and women, this astounding limited-edition watch will make a meaningful gift for someone you love that they will never forget!

The watch is water resistant down to 30 meters from the surface.

All Adi watches come with a one year warranty.

Adi's watches are a classic in Israeli wrist fashion. Located on Kibbutz Yavne, Adi's watches are all designed and assembled in Israel, from start to finish, while their innovative styles and high quality craftsmanship have for decades made the company a huge success both within Israel and around the world. Among Adi's unique designs are those specially made for elite units in the IDF, including the Israeli Air Force and Navy.

70 Years of Israel Hebrew Letters Golden Watch by Adi

Adi's fashionable and high quality wrist-wear has been worn by Israelis for decades, making the company the largest watch manufacturer and seller in Israel.

The watches 'Second Hand' reminds us that in South Israel people have 15 sec. to find safety from incoming Hamas rockets.

With your \$170 donation plus shipping you will receive your watch plus a Canadian tax receipt for \$100 CAD
